Meeting Minutes Notes

- **Minutes Approval:** Motion to approve previous meeting minutes by Martin Schleicher, seconded by Memsud Godinjak. No vetos -> Minutes approved.
- **AOSS Event Feedback:** Highly positive reception regarding location, panel discussions, and side presentations. Growing hardware community participation noted (ARM, Renesas, Infineon). Max Pabinger's presentation was particularly valuable. Guest invitations (e.g., SAE) viewed as high-value.
- **In-Person Meeting Results & Next Steps:** Summary presented by Björn Reistel following the July 1st Starnberg workshop. Updated TAC Chair Pete LeVasseur on conducted and agreed votes for taking **Eclipse SDV Landscape** and **Eclipse Hephaestus** under working group purview.
- **Safety-Critical Rust Group Feedback (via Pete LeVasseur):** The Safety-Critical Rust Consortium (SCRC) proposed establishing a "Technical Marketing" track/zone at conferences where supplier marketing teams can collect requirements directly from OEMs to establish positive feedback cycles. The committee discussed digesting the concept document.
