Meeting Minutes Notes

- **Minutes Approval:** Motion to approve previous meeting minutes by Dan Noal, seconded by Markus Stecker. Approved.
- **ECAVA Event Feedback:** Android and S-CORE highlighted as complementary solutions. Official discussions centered on connecting Google SDV within vehicle architectures (android-SDV and horizon-SDV) and single-vendor open source models.
- **Upcoming Fall 2026 Events Update:**
 - **Automotive World Japan (Sept 9-11):** Seeking one additional booth staff member.
 - **Meetup Japan (Sept 8):** Host venue location being finalized.
 - **Meetup Silicon Valley (Nov 5):** Hosted by Qualcomm following the Auto SW Strategies conference. Call for talks open.
- **SDV India SIG:** Discussion underway regarding establishing an Indian Special Interest Group. Members advised to inform regional teams.
- **AOSS & Starnberg In-Person SC Meeting Prep:** AOSS reaching 100+ registrations (cap 120-140). Topics collected for July 1st in-person Steering Committee session via Ansgar Lindwedel.
- **TAC Advice – Eclipse Hephaestus & SDV Landscape:** Pete LeVasseur (TAC Chair) formally requested taking two projects under SDV WG purview:
 - [Eclipse SDV Landscape](#)
 - [Eclipse Hephaestus](#)
 - Positive feedback received from SC. Official vote scheduled for the next round / email vote.
