

The logo features two stylized, curved lines above the text. The top line is a dark purple arc that starts on the left, peaks in the middle, and then curves down to the right. The bottom line is a magenta arc that starts further to the left, dips slightly, and then tapers to a point on the right. The text 'Eclipse SDV' is positioned below these lines. The word 'Eclipse' is in a magenta, sans-serif font, and 'SDV' is in a dark purple, bold, sans-serif font. A small 'TM' trademark symbol is located to the left of the magenta arc.
