Meeting Minutes

Topics

- Approval of meeting minutes from 9 Dec 2025
- Decision on SDV Landscape project categories

Summary

- The meeting began with introductions of new participants (Traton Group).
- Minutes from the previous meeting were approved.
- TAC discussed classification categories for the Eclipse SDV Landscape used to tag projects in the ecosystem.
- Agreement reached to introduce a hierarchical category structure with limited tags per project.
- A motion to adopt the proposal was passed unanimously.
- Next steps include implementing the categories in Eclipse repositories and project metadata.
